## SUMMARY

A highly skilled Front-End Developer with strong experience in crafting responsive, user-centric web applications. Adept at translating design concepts into functional, interactive websites using modern technologies such as React.js, Next.js, and JavaScript. Known for a keen eye for detail and a passion for optimizing performance to ensure seamless user experiences across devices. Demonstrated ability to collaborate effectively with cross-functional teams, bridging the gap between design and development. Expertise in building intuitive interfaces, streamlining the deployment process, and ensuring compatibility across various browsers and platforms. Committed to continuous learning and staying up-to-date with emerging technologies to deliver innovative digital solutions.

## SKILLS

- HTML5
- CSS3
- JavaScript
- React.js
- Next.js
- Nodejs
- Python
- HTML5
- CSS3
- Tailwind
- React Native
- Responsive Web Design
- Cross-Browser Compatibility
- Web Performance Optimization
- Version Control (Git/GitHub)
- React-three
- GSAP + THREE
- UI/UX Design Collaboration
- RESTful API Integration
- Mobile-First Design
- Code Debugging & Troubleshooting
- SEO Optimization
- Agile Development Methodologies

## WORK EXPERIENCE

### Front End Developer | Valoro - Cairo, Egypt

Aug 2024 – Oct 2025

- Spearhead the development and optimization of responsive, high-performance user interfaces, utilizing advanced technologies such as HTML5, CSS3, JavaScript, React.js, and Next.js to deliver seamless web experiences.
- Collaborate closely with back-end developers to ensure smooth integration of front-end components with server-side infrastructure, enhancing application functionality and performance.
- Partner with cross-functional teams, including product owners, UX/UI designers, and stakeholders, to transform business requirements into high-quality, user-centric solutions.
- Lead the creation of detailed wireframes, prototypes, and interactive mockups, translating abstract concepts into intuitive user interfaces with a focus on usability and aesthetic appeal.
- Maintain rigorous adherence to web standards by writing clean, semantic code, ensuring accessibility, and cross-browser compatibility to deliver consistent user experiences across diverse platforms.
- Conduct comprehensive code reviews and implement best practices to ensure the scalability, maintainability, and security of front-end code.
- Optimize front-end performance by identifying and resolving bottlenecks, ensuring fast loading times, improved SEO, and seamless mobile usability through responsive design principles, delivering a consistent experience across all devices.

### Front-End Developer | Cyparta - Cairo, 6 October

Mar 2023 - Oct 2023

- Led the end-to-end development of dynamic user interfaces, integrating cutting-edge technologies such as React.js and Next.js to deliver seamless, high-performance web applications.
- Partnered with back-end teams to optimize the integration of front-end components, ensuring efficient data flow and smooth functionality across applications.
- Drove collaboration across product, design, and development teams, ensuring alignment on project goals and the delivery of user-centric features within set timelines.
- Orchestrated the full deployment cycle for multiple websites, managing hosting configurations and overseeing the successful

transition of sites to live environments.

- Spearheaded the entire design and development workflow, utilizing user research, prototyping, and iterative testing to refine user interfaces and enhance usability.
- Produced clear and detailed technical documentation, including comprehensive test plans and procedural guides, ensuring transparency and process consistency.
- Diagnosed and resolved complex front-end performance bottlenecks, proactively optimizing code to enhance site speed, responsiveness, and overall user experience.

## EDUCATION

- **Diploma in MERN Stack Development** | Route, Cairo | Jul 2022
- **Bachelor of Engineering (BEng) in Engineering** | Higher Institute of Engineering and Technology, Tanta | Jul 2021

## LANGUAGE

- **Arabic:** Native
- **English:** Intermediate
